**FIVE REASONS WHY BARBECUE  
IS BETTER THAN POLITICS:**

When our smoke clears, everyone is happy.

Our party system works... you throw one, we cook.

We know when to trim the fat.

In our budget, pork is a good thing.

And the number one reason that barbecue is better than politics:

**Bribery is perfectly legal!**

That's right, just spend \$25 or more after 4 pm and

**It's Just Barbecue in Deer Lake  
will give you a CASH BRIBE**

ranging from \$1 to \$25 in a brown "BRIBE" envelope.

**Just print this flyer and hand it to the cashier with your payment,  
or just say "What's in it for me?" to receive your bribe.**
